

S.K.N.SINHGAD SCHOOL OF BUSINESS MANAGEMENT

Report on Remedial Coaching

(2016-17)

SKNSSBM conducts extra classes for the required students to learn different subjects like Accounting, Financial Management, Research Methodology, Decision Science, Ms-Excel and Statistics. Remedial classes conducted particularly provided for the students who face difficulty in understanding the subjects. Internal Faculties take extra time to guide the students, especially for the students who are from non-commerce background.

In these classes, concepts are once again revised for understanding purpose of the students. If the students have any doubts, they are also clarified by the faculty. Students utilize this facility properly in every semester and get good results in exams.
