### **Sinhgad Institute of Management and Computer Application (MCA Programme), Narhe Report of Capability Enhancement and Development Scheme**

Sinhgad Institute of Management and Computer Application (SIMCA), Narhe is always believes in holistic development of students through various events and activities. The institute has conducted ample number of events. The main objective behind these activities and event is to groom our students by the carrier guidance, soft skill development, remedial coaching, language lab, bridge course, yoga, meditation, personal coaching.

**Carrier Counselling:** Under the carrier counselling various sessions by internal faculty as well as industry experts are arranged some of the are : Interview Techniques , Current trends in IT, IOT, Carrier opportunities in SAP , Data Generation and Data Management , how to prepare for placement and many more .

**Language Lab and Soft Skill Development:** Institute has language lab and students take benefits of this under the soft skill subject. The lab is equipped with the audio , video aids for listening and watching the skill oriented and language oriented session, videos and audios which plays very vital role for the students combination and presentation skill.

**Remedial coaching:** The students who are weak in particular subjects as well as having backlog in any subject for them the remedial lectures by the subject faculty are arranged for improving the subject knowledge.

**Yoga and Meditation:** The yoga and mediation sessions are conducted for students and faculties from the yoga experts to groom the importance and need of yoga in our day to day life.

**Personal Coaching:** In SIMCA we have teacher ward group (TWG) under which the faculty mentors conducts meetings with the students. Three meetings are conducted every semester and the problem of students are considered and resolved.

**Bridge Course:** The MCA students admitted for first year are from Computer and non-computer background. The students who are not from computer background for them the bridge course were arranged to introduce various computer subject and give input which are helpful for the students in to the academics.
