2017

“Punk D Junk”

Event Date: 13-2-2017

Participation Fee: 400

Registrations for the Event:

Sr. No.	STES Teams	Non STES Teams
Registered Teams	35	21
Reported Teams	30	16

Event Brief: The event is about preparing a feasible product out of waste. Participants were expected to prepare a business plan to make the product saleable. Event was conducted in two rounds. In preliminary round participants were allotted virtual waste based on which they had show the product and business plan for the same on a chart paper, considered as a promotional tool. Based on their innovative idea top team was selected from the different tracks. Each track had approximately seven teams and from each track top team based on evaluation of judges was sent to final round. There were seven Alumni as judge in preliminary round and two judges were there for final round. Seven teams competed in final round and top three teams were given prizes. In final round participants were expected to prepare the prototype based the real junk along with the supporting stationary provided to them. They were expected to prepare a PPT comprising the B-plan and the operational part of the feasible prototype.

1st Prize:Rs. 10000 /-

2nd prize :Rs. 5000/-

3rd prize: Rs.3000/-

Actual execution:

The preliminary round of this event was conducted on second floor of SKNSSBM which was beautifully decorated with different models using only junk material prepared by the enthusiastic volunteers of SKNSSBM. Brilliant ideas were showcased by the volunteers in terms of displaying the different decorative models of Junk. Second round of the event was conducted on First floor in computer lab before the judges. Participation for the event was excellent. Participation exceeded the expectation. For the event there was participation from Bagalkot (Karnataka) as well.

Preliminary Round : 46 teams participated in round this round .

Final Round – 07 out of 46 teams got selected for this round .

SPECTRUM 2015

“BRAND MANIAC”

18 January 2015

Participation Fee: per team Rs. 400/-

Registrations for the Event:

Sr. No.	STES Teams	Non STES Teams
Registered Teams	56	15
Reported Teams	41	15

Event Brief:

The event began sharp at 11.00 am in the presence of Our Director Dr. Rajashree Shinde and Faculty members of SKNSSBM. Two of our own alumni had been invited as Judges for the event. The students of graduation and post graduation from various institutes and the students of STES, Pune had participated enthusiastically in the event. Our Alumni judges also showed interest and came forward to conduct few rounds for the students. Participant teams and the audiences were well entertained by the fillers in between the rounds of event. Two participants from the audience got a chance to win the scholarship of Rs.10,000 each provided by the American Academy of Financial Management, Pune, who were the sponsors of the event 'Brand Maniac'. The entire event went magnificently with the cooperation of all the faculty members as well as the student volunteers. The finalists felt very happy to share their feelings about the entire event and they appreciated STES for providing such a wonderful platform for them.

Actual execution

Round 1: Total 41 teams had participated in MCQ round. They had given 40 MCQs to answer in 40 minutes.

Round 2: The top 40 teams out of 41 were selected to participate in 'Elements to Edifice'. The teams were shown the elements and asked the name of the brand. Each team had to answer only two questions.

Round 3: The top 24 teams had been selected from 40 teams, to participate in this round. They had to answer only two questions from two sectors.

Round 4: The top 4 teams were selected for the final round. Teams were shown 2 videos and had to answer about the brand to which it is associated. Then they were given an Audio clipping to listen and answer to which brand it belongs. At the end they were given a risk for reward question to answer.
