

4.4.2: The Institute adopts standard established systems and procedures for maintaining the physical, academic and support facilities. There are Institute level committees that look after the various aspects of the utilization and maintenance of the physical, academic and support facilities:-

Laboratory and Library Facilities: The classrooms, laboratories, seminar halls, and library facilities are utilized regularly by the students for the learning process and record is maintained at uses register of the library. Repair and Maintenance of laboratory equipment's/instruments are initiated by the respective Laboratory In charge as and when required. The purchase committee handles the repair/maintenance/calibration request appropriately. As a part of regular practice laboratory in charge, along with laboratory assistant, ensures proper working of all equipment at the beginning of each semester. SIBACA is having very rich resource of learning at library in the form of huge collections of new books, journals and magazines are continuously added as per the need and requirement of the syllabus of SPPU. Stock verification of the library is done on annual basis

Computers: All the computer related facilities including hardware, computer peripherals, UPS and generator are maintained by lab assistants and electricians of the Institute has legal antivirus software to protect browsing & secured handling of internet. SIBACA is having trained staff who take care of all the hardware and software of the institute. They are continuously working on updating the configuration of the computers as per the requirement of hardware and software.

Sport Complex:: SIBACA is having world class amenities for the overall development of students i.e swimming pool, cricket ground, Football ground and Gym which helps in overall development of students. The maintenance of all such amenities is well taken care by ground staff under the guidance of the estate office. Cleaning of all these grounds are done on daily basis. Water is sprayed on all these grounds through sprinkler irrigation system. Grass cutting of all these grounds is also done on regular basis.

Hygienic Canteen& Mess Facilities: SIBACA provides hygienic and healthy food facilities for all the residents which is regularly monitored by appropriate Committee. Campus also provides Laundry and salon facilities for the students.

Classrooms: The classrooms and seminar halls which are well equipped with LCD Projectors and internet facilities are utilized regularly by the students for the learning process and timetables indicate the regular utilization of the respective facilities by students and faculties. The class rooms of the institute are well maintained and cleaned by supporting staff. SIBACA is intended to provide hygienic and clean learning environment for which all the classrooms are maintained with curtains on the windows which are washed and cleaned regularly.

Medical Facilities: The Free Medical Facilities for students, staff and villagers: Medical healthcare facility is available in the campus in the form of Rural Health Training Centre. The medical facilities and medicines are given free of cost to the students, staff members and nearby villagers. Specialized doctors like Orthopedics, Dermatologists, Gynecologists and Ophthalmologists etc. are made available on weekly basis.
