

# VENUE

It gives me enormous delight to invite you and your team of radiologists to the 4<sup>th</sup> Annual Radiology Update. This year the theme is "**THORACIC IMAGING**". It will offer a comprehensive coverage of the subject.

The highlight of the conference is Focus Sessions by internationally acclaimed radiologist on **HRCT and Cancer Imaging**. Other aspects of thoracic imaging will be covered by eminent radiologists. The proceedings will be conducted in the recently commissioned state-of-the-art auditorium of SKN Medical College. I am sure this will be an academic feast and will interest the delegates.

Now the Annual Radiology Update of SKN Medical College has been accredited by Maharashtra Medical Council and has been granted Two Credit Hours for the delegates. Radiologists and medical professionals will be required to accumulate 30 credit hours over 5 years to be eligible for re-registration.

**There is no registration fee as always.** However please register by email before 26<sup>th</sup> December 2010. We expect your presence in large numbers as esteemed delegates.

Travel arrangements to and from Sassoon Hospital and AFMC to the venue will be provided at 08.00 hrs sharp on 9<sup>th</sup> January 2011 (Sunday)
