About The Institute : Sinhgad Technical Education Society was established in the year 1993 under able guidance of Prof. M. N. Navale with the aim of imparting Quality Engineering Education. More than 75 model Institutions under the society impart education spanning from nursery levels to post graduation leading Doctoral programme, covering multifarious disciplines. Sinhgad Technical Education Society's Sinhgad College of Engineering, Pune was established in 1996, has become synonymous with Quality Engineering Education. This bears a shining testimony to the magnitude of President's vision and relentless pursuit for excellence. This institute is approved by All India Council for Technical Education [AICTE], Govt. of Maharashtra and is affiliated with University of Pune. Department of Electronics & Telecommunication Engineering is accredited for 5 years by NBA, AICTE & conducts UG as well as two PG programs in Digital Systems and VLSI Embedded Systems.

TOPICS

1. VLSI Design & Reconfigurable Computing
2. Algorithmic Computing Intelligence
3. Neuro & Fuzzy Computing
4. Embedded Systems
5. Signal Processing
6. Image Processing
7. Intelligent Computing & Controls
8. Automations & Controls
9. Internet Computing
10. Dependable & Secure Computing
11. Computing Science
12. Computational Bioinformatics
13. Mobile Computing
14. Communication
15. Computing in Nanotechnology
16. Multimedia Computing
17. Space Computing
18. System Computing

GLIMPSES OF CONFERENCE
