About Us:

STES was established in August 1993 under the dynamic leadership of Prof. M. N. Navale. It provides quality education at primary, secondary and tertiary levels in the field of Management, Engineering, Computer Application, Pharmacy, Architecture, Hospitality, Dentistry etc. All the institutes of STES are recognized by the concerned statutory authorities and meticulously fulfill their required norms and standards. Sinhgad Institute of Business Administration and Computer Application (SIBACA), Kusgaon (Bk), Lonavala is one of the 85 institutes under the umbrella of STE Society. SIBACA is one of the eleven group institutes in the lap of Sahyadri hills at Lonavala, the famous hill station of Maharashtra at the height of about six hundred twenty two meters above sea level. Its picturesque location and pleasant climate makes it a perfect learning center.

About the Conference:

Computer, Communication and Information Technology have a profound influence on all branches of science. We are living in the Information age since time immemorial, now it is based on computers and its connectivity. Information Technology is the convergence of all the technologies and it is concerned with the use of this technology in managing and processing information.

Information Technology is changing every aspect of human life such as trading, manufacturing, communication, service, entertainment, education, research, e-governance, national defence and global security etc. due to which social structure is changing. There is need to have an insight on the ongoing research in Emerging Trends in Information Technology. The conference is being organized with the objective of providing a platform for interaction amongst the participants and to share innovative ideas amongst them.
