About MSBTE

The mission of MSBTE is to ensure that the diploma level technical education consistently matches the latest requirements of technology & industry to achieve the all-round personal development of students by arranging the competition like paper presentation, quiz, career fair, project exhibition etc.

About Institute

Sinhgad Technical Education Society is established in the year 1993 under the visionary leadership of Prof. M. N. Navale. The society provides quality professional education in the field of Engineering, Computer Science, Management, Architecture, Medicine and Pharmacy.

More than 100 institutes located across twelve campuses impart excellent education and training for more than 70,000 students.

Sou. Venutai Chavan Polytechnic is the first Institute established by the Sinhgad Technical Education Society in the year 1993. Within short span of time SVCP has emerged as a Premier Polytechnic in the state.

Program Objective

To provide the platform to the diploma students for enhancing their knowledge.
