Organization Chart

Student feedback mechanism on Institutional Governance/faculty performance

The online feedback about the teaching learning process is taken from the students once in a semester. This feedback is analyzed and necessary corrective actions for improvement are initiated by the Academic Monitoring Committee (AMC). The feedback is based on the parameters like voice quality, board writing, speed of syllabus coverage, speaking speed, subject preparation, English, pronunciation and explanation.

Grievance redressal mechanism for faculty, staff and students

The institute has different cells like

1. National Service Scheme (NSS): Through which the students acquire moral and ethical values;
2. Teacher Guardian(TG) Scheme: It is for continuous academic monitoring as well as providing support system to guide and motivate the students;
3. Women Empowerment Cell: It looks after the challenges faced by girl students staying in hostel and staying away from home;
4. Anti-Ragging cell: It is to prevent ragging in the college premises; Grievance Cell: It is to solve any grievances among faculties and students. These cells help in keeping healthy environment at institute.
5. Institute has set up Women Grievances Redressal Cell that functions separately to the rectify the Grievances of the women employees and girl students
