10.9 Organizational Chart

10.10 Student feedback mechanism on institutional governance/ faculty performance

The faculty evaluation by students is initiated from 2008-09 onwards. The students fill the evaluation sheet online. The evaluation is done on the basis of academic parameters like low voice, improper board writing, improper presentation, fast teaching, poor English, poor presentation, syllabus coverage, lack of interest, incorrect pronunciation, unpunctual, less explanation. The evaluation sheet is to be presented to governing body during the meetings for their remarks. Thereafter the evaluation report is conveyed to each faculty.

10.11 Grievance redressal mechanism for faculty, staff and students

STE Society has democratic setup abide by all the rules, regulations, laws related to educational institutions. Maharashtra University Act 1994, AICTE Act, UGC Act are the few to mention which are strictly followed along with provisions of various laws concerned with employment & employees welfare as well.

10.18 Counseling/Mentoring

Career Counseling: B. Pharm and M .Pharm students are regularly counseled by the faculty members emphasizing the importance of different branches of Pharmaceutical sciences in industry, research and development, quality control, manufacturing, marketing and management including academia. Seminars and lecture series are arranged by calling professional counselors, expertise and proficiency bodies. Counseling for various overseas qualifying entrance tests (TOFFEL, GRE, and ILETS) and Indian entrance test (GPAT, CAT) training is arranged.

Medical facilities: In the same premises, Society is having 500 bedded Hospital (SKN Hospital). The Hospital is equipped with all medical facilities, qualified and trained Doctors and Nurses. The hospital is available for 24 hrs with no counseling fees. Regular medical checkup camps are organized in the Hospital.

Students insurance:

1. Sinhgad Technical Education Society insures all students every year under the Students safety Insurance Policy through United India Insurance Co. Ltd.
2. Every year institute pays Rs. 2 per students to Savitribai Phule Pune University towards Students Safety Insurance fees.

10.19 Students activity Body

Cultural activities:

Sinhgad Technical Education Society organizes various cultural activities such as inter College cultural competitions (Group and solo Dance, Duet and solo Singing, Fashion Show, Mr and Miss. Sinhgad etc.), Teacher's day, Induction program, farewell programme, cultural gathering i.e. Sinhgad Karandak, inter collegiate competition, Ganapati, Navratri, Dandiya celebrations,

Kojagiri Poornima, Holi, Diwali etc. All students show their active participation in all cultural activities.

Sports activities:

Sinhgad Technical Education Society organizes sport week every year exploring various indoor and out door games including Cricket, football, Volleyball, Girls Cricket, athletics, Lawn Tennis, Table tennis, & Carom and Chess etc. Students also participate in various competitions organized at state and national level. The winner and runner from each event are felicitated by the dignitaries every year.

Literary activities:

Languages learning, especially English is perused very vigorously. Besides, the importance of Indian heritage especially culture, art and philosophy lectures are organized frequently and some time short documentary films on philosophy and cultures are shown in our amphitheatre. Books on languages, geography, culture and history as well as for various competitive examinations are made available in our library for reference.

Magazine / Newsletter:

Sinhgad Institute of Pharmacy publishes every alternate year the college magazine “Sushrut.... A new age pharmacist”. The college magazine reflects academic as well as co-curricular activities and thought provoking articles in social, cultural and educational area. The institute has given a platform to all SIOPians in the form of Sushrut. Articles in the area of science and technology, arts, culture, sports, literature etc. are published in our annual magazine.

Sinhgad Institute also publishes wall magazine “Health Informatics” in order to abreast the students about the current happenings in healthcare profession. Alumni Bulletin is published every year by the Sinhgad Institute of Pharmacy Alumni Association.

Technical activities / TechFest:

The institute is conducting student’s industrial visit to understand manufacturing process, technology and drug dosage-form preparation and manufacturing. The industrial pharmacy lab demonstrates the unit processes/operation of dosage form preparation and development, packaging technology and sterile filling technology. Most of the pharmacological experiments dealing with isolated tissues and organs have been replaced with computer simulated animal experiments. Library functions and activities are digitalized. Admission, accounts, examination,

result analysis, students and staff data and store functions are all computerized using appropriate softwares.

Industrial Visits/Tours:

The students of B. Pharm visit to various Pharmaceutical industries to witness various manufacturing processes, quality control testing & marketing set up. Every student of Third and Final Year B. Pharmacy has to undertake 4-6 week training in industry in different departments.
