ABOUT NC³IT 2012

Computer, Communication and Information Technology have a profound influence on all branch of science, engineering and management as well. New technologies are constantly emerging which are enabling applications in various domains and services. National Conference on Computer, Communication and Information Technology (NC³IT 2012) is organized by the Sinhgad Institute of Computer Sciences (MCA), Pandharpur(MS) for the presentation of technological advancement and research results in the field of theoretical, experimental and applied area of Computer, Communication and Information Technology.

Benefits of the NC³IT 2012

- A National Level arena for exchange and discussion of research ideas and results.
- An opportunity to listen and interact with eminent Speakers from Academia and Industry.
- Keep up-to-date on the latest advances of the field.
- Submitted conference papers will be reviewed by technical committee of the conference.
- Darshan of God Vitthala and Rukmini.

ABOUT PANDHARPUR

Pandharpur is one of the revered pilgrimage sites in Maharashtra. It is located 65 km west of Solapur, on the banks of the river Bhimarathi also known as Chandrabhaga. Pandharpur enshrines Vithoba in a grand temple, on the banks of the river. Vithoba is a form of Krishna; the name Vithoba means Father Vitthala. Vitthala is said to have been derived from the word Vishnu in Kannada.

Stylistically the image dates back to the 5th century CE. There are inscriptions in this temple dating back to the 13th century. Namdev, the 13th century saint was closely associated with this temple. Copper plate inscriptions of the Rashtrakootas place this shrine in the 6th century CE. There is also a shrine to Pundalik at Pandharpur.

Pandharpur is well connected by rail and road from major cities of Maharashtra. Pandharpur is 220 km away from Pune, 350 km from Hyderabad, 160 from Kolhapur. Akaluj, Solapur, Akkalkot, Tuljapur, Gangapur, Shikhar Shinganagpur are nearby interesting places for visit.

INSTITUTE

Sinhgad Institute of computer Sciences (SICS) is established in 2010 by Savitribai Phule Shikshan Prasarak Mandal, Kamlapur (Tal: Sangola, Dist : Solapur, Maharashtra). SICS is now fast emerging as nationally renowned, fully integrated, computer technological institute of higher learning. The institute inquire about to instill a spirit of lifelong learning and aspires to strengthen the capabilities of integrating concepts with applications and values. It contributes towards the development of communities of dependable, capable, caring and fair-minded people.

The Master of Computer Application (MCA) programme of the Institute is designed to respond to the academic investment requirement of business and industry. Notwithstanding the SINHGAD brand equity, SICS is aware of the "Inconsistency". Imitation has been replaced by innovation, and constant endeavor is to be better than the best. The SICS strives to develop an innovative academic environment through the gateway between faculty, students, industry and technology.

THE CAMPUS

SICS is located at Pandharpur, Maharashtra, 5 km from Pandharpur Railway station and 6 km from Bus stand. The Institute Campus has been developed in the picturesque pollution free environment of approximate 25 acres of land at the Korti locality of Pandharpur. Campus having various units like Sinhgad Institute of Computer Sciences (MCA), SKN Sinhgad Business School (MBA), SKN College of Engineering, Sinhgad Public School.

PAPER SUBMISSION

NC³IT 2012 accepts only novel, previously unpublished papers in the areas of Computer, Communication and Information Technology. Prospective authors are encouraged to submit IEEE style, two column format paper up to 6 pages. You can download the templates for manuscript preparation from **http://www.sinhgadsics.edu.in/nc3it.html.** Note that as shown in the template, the first page of the manuscript must include the title, authors with affiliations and detailed address including e-mail, abstract and at least five keywords. Papers are to be submitted through E-Mail to **nc3it@sinhgadsics.edu.in & nc3it2012@gmail.com** All paper submissions will be carefully reviewed by experts and reviews will be returned to the author(s) with comments to ensure the high quality of the accepted papers.

To be published in the Conference Proceedings, at least one of the authors of any accepted paper is required to register for the conference. But this needs to be done only after you receive the confirmation that your paper has been accepted for presentation and publication in NC³IT 2012. Non-refundable registration fees must be paid prior to uploading the final camera-ready version of the paper. For authors with multiple accepted papers, one registration is valid for up to 2 papers. Accepted papers will be published in the NC³IT 2012 Conference Proceedings. Selected papers may be considered for publication in the following journals with final review.

a. International Journal of Information System ISSN – 999 (2229-5429)

b. "Unlock Management", Research Journal in Management, Sciences ISSN –NO- 0975-8038

REGISTRATION

Once paper is accepted, at least one author must register in NC³IT 2012 for Participation.

Rules for Participation:

- Only Authors are allowed to present their paper in the conference according to program schedule.
- Each Participating Author should register separately.
- Participation Certificate is issued only to the registered participants; on special request the conference proceeding will be sent to the authors.
- Participation details will be communicated to the authors through Emails.
  Visit www.sinhgadsics.edu.in for Conference Updates.
- Non authors (General Participants) are allowed to participate in the conference through registration.

Registration fees :

Participant	Reg. Fee
Authors from Academia / Industry	₹ 1500.00
Research Scholars	₹ 1000.00
Students	₹ 700.00
Non Author Participants / Listeners	₹ 500.00

Payment Details

Send a D.D. in favor of **"Sinhgad Institute of computer Sciences"** payable at Pandharpur before 05th February 2012 to Institutes address.

Registration fee includes :

- Conference kit,
- A copy of Conference Proceedings
- Attendance Certificate
- High Tea and Lunch

Check list :

Send scanned copies of below listed documents to **nc3it@sinhgadsics.edu.in & nc3it2012@gmail.com** before 5th Feb 2012:

- Scanned copy of D.D.
- Scanned Copyright form.
- Camera ready paper (Strictly in IEEE format) both in MS-Word & PDF formats.
- Scanned Copy of Registration form.
- I-Card copy for Student author.

CALL FOR PAPERS

Papers are invited on original and unpublished research areas of Computer, Communication and Information Technology. The areas of interest include, but are not limited to:

Computer

- Artificial Intelligence
- Embedded Systems
- Bioinformatics and Scientific Computing
- Soft Computing
- Data Warehousing & Data Mining
- Natural Language Programming
- Green Computing
- Nano Technology
- Computer Graphics & Multimedia
- Algorithms
- Parallel & Distributed Computing
- Computer Vision
- Computing Ethics
- Image Processing
- Software Engineering and CASE
- Theoretical Computer Science (TCS)
- Neural Networks
- Robotics and Automation
- Fuzzy Logic

Communication

- Wireless Communication
- Mobile Computing
- Innovative Networking Technologies
- Telecommunication Services & Applications
- Cryptography
- Network Security and Cyber Security
- Optical Communication
- Data Communication and Computer Network
- 5G Communication System
- Cloud Computing
- Ad hoc Network
- Quantum & Grid Computing
- Android Technology

Information Technology

- Business Process Reengineering & Management
- Business Intelligence
- E- Commerce, E – Business and E – Governance
- Enterprise Resource Planning (ERP)
- ICT for development
- Technology Management
- Database Systems
- CRM & DSS
- Cyber Crime and Cyber Law

IMPORTANT DATES

Full Paper Submission	:	**Before January 20, 2012**
Notification of Acceptance	:	Before January 25, 2012
Final Paper Submission	:	Before February 05,2012
Author's Registration	:	Before February 05,2012
Conference Date	:	February 18 – 19, 2012
