

CALL FOR PAPERS

2013, 2nd National Conference on Computer, Communication and Information Technology (NC3IT 2013) is the premier forum for the presentation of new advances and research results in the fields of Computer, Communication and Information Technology. The conference will bring together academicians, leading researchers, engineers and scientists in the domain of interest from around the Country. Topics of interest for submission include, but are not limited to:

Computer

- Artificial Intelligence
- Bioinformatics and Scientific Computing
- Data Warehousing & Data Mining
- Natural Language Programming
- Computer Graphics & Multimedia
- Parallel & Distributed Computing
- Theoretical Computer Science (TCS)
- Software Engineering and CASE
- Robotics and Automation
- Neural Networks
- Embedded Systems
- Soft Computing
- Green Computing
- Nano Technology
- Algorithms
- Computer Vision
- Image Processing
- Computing Ethics
- Computers Graphics
- Fuzzy Logic

Communication

- Wireless Communication
- Innovative Networking Technologies
- Telecommunication Services & Applications
- Optical Communication
- 5G Communication System
- Ad hoc Network
- Android Technology
- Mobile Computing
- Cryptography
- Network Security
- Data Communication
- Cloud Computing
- Quantum & Grid Computing
- Distributed Network

Information Technology

- Business Process Reengineering & Management
- E- Commerce, E – Business and E – Governance
- Enterprise Resource Planning (ERP)
- ICT for development
- Database Systems
- Cyber Crime and Cyber Law
- Business Intelligence
- Cyber Security
- Advanced Internet Technology
- Technology Management
- CRM & DSS
- Cyber War

IMPORTANT DATES

■ Full Paper Submission	Before January 20, 2013
■ Notification of Acceptance	Before January 25, 2013
■ Final Paper Submission	Before February 05, 2013
■ Author's Registration	Before February 05, 2013
■ Conference Date	February 15 – 16, 2013

INSTITUTE

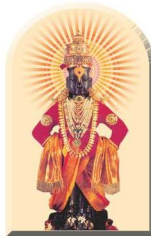

Sinhgad Institute of Computer Sciences (SICS) is established in 2010 by Savitribai Phule Shikshan Prasarak Mandal, Kamlapur (Tal: Sangola, Dist : Solapur, Maharashtra). SICS is now fast emerging as Nationally renowned, fully integrated, computer technological Institute of higher learning. The institute inquire about to instill a spirit of lifelong learning and aspires to strengthen the capabilities of integrating concepts with applications and values. It contributes towards the development of communities of dependable, capable, caring and fair-minded people.

The Master of Computer Applications (MCA) programme of the Institute is designed to respond to the academic investment requirement of business and industry. Notwithstanding the **SINHGAD** brand equity, SICS is aware of the "Inconsistency". Imitation has been replaced by innovation, and constant endeavor is to be better than the best. The SICS strives to develop an innovative academic environment through the gateway between faculty, students, industry and technology.

THE CAMPUS

SICS is located at Korti-Pandharpur, Maharashtra, 5 km from Pandharpur Railway station and 6 km from Bus stand. The Institute Campus has been developed in the picturesque pollution free environment of approximate 25 acres of land at the Korti locality of Pandharpur. Campus having various units like Sinhgad Institute of Computer Sciences (MCA), SKN Sinhgad Business School (MBA), SKN College of Engineering, Sinhgad Public School.

ABOUT PANDHARPUR

Pandharpur is one of the revered pilgrimage sites in Maharashtra. It is located 65 km west of Solapur, on the banks of the river Bhimarathi also known as Chandrabhaga. Pandharpur enshrines Vithoba in a grand temple, on the banks of the river. Vithoba is a form of Krishna; the name Vithoba means Father Vitthala. Vitthala is said to have been derived from the word Vishnu in Kannada. Stylistically the image dates back to the 5th century CE. There are inscriptions in this temple dating back to the 13th century. Namdev, the 13th century saint was closely associated with this temple. Copper plate inscriptions of the Rashtrakootas place this shrine in the 6th century CE. There is also a shrine to Pundalik at Pandharpur.

Pandharpur is well connected by rail and road from major cities of Maharashtra. Pandharpur is 220 km away from Pune, 350 km from Hyderabad, 160 from Kolhapur. Akaluj, Solapur, Akkalkot, Tuljapur, Gangapur, Shikhar Shinganapur are nearby interesting places for visit.

ABOUT NC3IT 2013

Computer, Communication and Information Technology have a profound influence on all branch of science, engineering and management as well. New technologies are constantly emerging which are enabling applications in various domains and services. 2nd National Conference on Computer, Communication and Information Technology (NC3IT 2013) is organized by the Sinhgad Institute of Computer Sciences (MCA), Pandharpur(MS) in association with Solapur University and Management Association of MCA Institute (MAMI) for the presentation of technological advancement and research results in the field of theoretical, experimental and applied area of Computer, Communication and Information Technology.

BENEFITS OF THE NC3IT 2013

- A National Level arena for exchange and discussion of research ideas and results.
- An opportunity to listen and interact with eminent Speakers from Academia and Industry.
- Keep up-to-date on the advances of the field.
- Submitted conference papers will be reviewed by technical committee of the conference.
- Darshan of God Vitthala and Rukmini.
