About the Institute

Sinhgad Institute of Management (SIOM), Pune is a constituent Institute of Sinhgad Institutes, Pune. Sinhgad Technical Education Society (STES) was established by Prof. M. N. Navale in 1993. STES has more than 117 different educational institutes comprising Medical, Dental, Engineering, Architecture, Pharmacy, Management etc. SIOM is an accredited premier Management Institute in the state of Maharashtra imparting quality education in management and is a major facilitator in the area of research. It is located on a green hilltop, conducive for teaching, learning and research. SIOM has achieved several milestones, in the field of Management Education and Research and has been a much sought after destination for students, academicians as well as industries. The high standard of education imparted at the Institute in the fields of Management and Computer Applications has proved to be the lifeline for many successful careers. Highly qualified, experienced and dedicated faculty is strength of the Institute. SIOM research centre has 19 guides associated to all the specialization of Management including Computer, 155 students are pursuing their Ph.D. and 48 students have been awarded Doctorate.

About the conference

STES's, Sinhgad Institute of Management (SIOM™) is the oldest privately funded institution imparting PG courses in Management and Computer Application in western India. Over the years we have successfully educated more than 15,000 students who are well-placed in some of the best known names in the industry.

Our objective is not only to educate students; instead we strive to provide holistic development of our students. Keeping these objectives in mind, we have, over the years, annually organized a series of quality workshops, seminars, conferences, sporting and cultural events.

This year is even more important to us as STES celebrates its 25 years of imparting quality education. As part of this celebration we are organizing a series of events for the benefit of academia and students in particular.

It gives us immense pleasure to intimate that STES' Sinhgad Institute of Management, Vadgaon is organizing an International

Conference on "IT Revolutions in Business World" on 27th and 28th February 2018 under QIP of Savitribai Phule Pune University (SPPU).

The conference will see a plethora of researchers, scientists, academicians and enterprises to present their research ideas, implementations and findings to create new arenas and opportunities to do businesses effectively and efficiently. We are expecting 250 delegates, which includes researchers, Ph.D scholars, and academicians, national & international students to present their research which are going to be published as part of conference proceedings & International Journal of Communication and Technology and Computer Application (ICTCA).
