

### About Sinhgad Technical Education Society's:

Sinhgad Technical Education Society (STES) established in 1993 by Prof. M. N. Navale has become a brand for quality education in the field of Pharmacy, Engineering, Medicine, Allied Health Sciences, Management, Computer Applications, Architecture, Hospitality, Humanities, Education, as well as School Education. There are more than 117 institutes under the aegis of the society offering quality education, spread over 12 educational campuses at Vadgaon (Bk), Kondhwa (Bk), Narhe, Karve road, Ambegaon, Warje, Lonavala, Sangola, Kondhapuri, Solapur, Pandharpur and Mumbai.

### About SIPS:

Identifying the global need of well trained pharmacy graduates, Sinhgad Institute of Pharmaceutical Sciences (SIPS), Kusgaon (Bk), Lonavala, Dist. Pune, is established in 2004. The institute is situated at Lonavala and gives an excellent panoramic view of Lonavala valley, its lush green landscape and natural bounty. The institute is approved by AICTE, PCI and affiliated to Savitribai Phule Pune University and offers B. Pharm, M. Pharm and Ph.D courses. The institute is accredited by N.B.A, New Delhi. The college functions with the mission "Service to the community by producing competent healthcare professionals". The institute has acquired an envious and coveted position in the state.

### Background and objective of seminar:

The complexity of formulation development in highly regulated environments requiring multi-facet components to achieve a particular dosage with sound quality, safety and efficacy. It is not only the active ingredients (APIs) and excipients, but the manufacturing and/or the delivery technologies that play an equally important role in achieving the desired quality, safety and efficacy of a drug product.

To know the challenges and opportunities of delivery of drug molecules. To understand how the industry is fine-tuning by adopting new nonconventional formulation technologies to bring new drugs into the market.

### Who should attend?

Final Year B. Pharm students, Post graduate students, Doctoral students, academicians and research scientists from industry.

### Poster Presentation

Final Year B. Pharm students and Post graduate students can submit the abstract in the topics of pharmaceutical technology viz. A) Oral Sustained /Controlled Release Systems, B) Mucosal Systems, C) Transdermal and Topical Systems, D) Ophthalmic Systems, E) Targeted Drug Delivery Systems, F) Protein and Peptide Delivery Systems, G) Particulate Systems, H) Pulmonary Drug Delivery Systems, I) Colloidal Drug Delivery Systems. Abstract should not be more than 250 words. Sent abstract to [sbbumrela.sips@sinhgad.edu](mailto:sbbumrela.sips@sinhgad.edu) on or before 5<sup>th</sup> Feb 2016.
