ABOUT THE INSTITUTE

Prof. M. N. Navale embarked on his journey of **Sinhgad Technical Education Society** on 12th August 1993 with his mother's blessings and aim of imparting quality technical education, professional expertise. The 75 model Institutions in 13 campuses around 4500 academic staff and 54000 students under the society, catering to multifarious disciplines, bear shining testimony to the magnitude of Prof. Navale's vision and relentless pursuit for excellence.

From the academic year 2005-06, Sinhgad Academy of Engineering was started. It conducts four-year bachelor degree courses and two year masters degree courses in **Electronics & Telecommunication**. The institute is approved by All India Council for Technical Education (AICTE), New Delhi, and Directorate of Technical Education (DTE) and is affiliated with University of Pune.

The aim of the institute is to develop a center of excellence with harmonious environment and to innate the innovative abilities of students and also to equip the leadership qualities of students. The institute offers the Bachelor degree in Engineering in **Electronics & Telecommunications Engineering**, **Computer Engineering**, **Mechanical Engineering**, **Civil Engineering** and **Information Technology**. Masters degree in **Electronics & Telecommunications** and **Mechanical Engineering**. Also offers MBA.
