About Society

Sinhgad Technical Education Society was established in 1993 under the able and dynamic leadership of our Honourable President, Prof. M. N. Navale with an objective of providing quality education in the fields of Engineering, Medicine, Management, Architecture, Pharmacy, Hotel Management, Science, Art, Commerce, etc. There are over 100 institutes under the aegis of STES offering School Education, Diploma, Graduation, Post-Graduation and Ph. D programmes in various disciplines.

About College

Sinhgad Academy of Engineering (SAE) established in 2005-06, offers full-fledged graduate courses in Mechanical, Computer, Electronics & Telecommunication, Civil Engineering and Information Technology. The college also offers post graduate courses in Mechanical Engineering and Electronics & Telecommunication Engineering. All the courses are approved by All India Council for Technical Education (AICTE) and affiliated to University of Pune. The college has all modern infrastructural facilities, including modern teaching aids and high speed internet connectivity. The college has well qualified and experienced teaching staff.

About Department

Department of Mechanical Engineering was established in the year 2005. The department has an intake of 180 students in UG course and 18 students in PG course (ME-Automotive Engg.). The department is well equipped with all modern labs and the qualified staff to fulfil the requirement of the course.

Mission

Our mission is to do WHAT it takes to foster, sustain and upgrade the quality of education by way of harnessing talent, potential and optimizing meaningful learning facilities.

One Week Staff Development Programme On

Research Methodology for Innovative Research in Mechanical Engineering 16th-21st April 2012

Chief Patrons:

Hon'ble Prof. M. N. Navale
Founder President, STES
Dr.(Mrs.) Sunanda M. Navale
Founder Secretary, STES
Prof. S.N. Navale
Vice-President, STES

Patrons:

Dr.Avinash G. Kharat
Principal
Dr. S.M Gaikwad
Vice-Principal
Dr.C. B. Bangal
Vice-Principal
Prof. (Col.) O.P Misra
Head,
Department of Mechanical Engineering

Convener:

Dr. Dinesh N. Kamble
Professor,
Department of Mechanical Engineering

Organizing Committee:

Prof. S. C. Shilwant	Prof. (Dr.) S.P. Deshmukh
Prof. P. R. Kale	Prof. R. S Badami
Prof. A. V. Bhosale	Prof. P. P. Hujare
Prof. S. A. Ladkat	Prof. P. M. Sonawane

Objective

The present scenario in the technical inventions involves the contribution of research. This programme is designed and structured to impart the knowledge of various research methodologies for Mechanical Engineering. Programme intends for the outcomes as proper guidance to select the research area, awareness about literature review methods and problem formulation, importance of experimentation and scope of software application. The psychological aspects like stress and time management are also key elements of this programme. This is important to define the future path for the participants to perform the research.

This program may be a driving force for remarkable contribution by the participants in their future research. With a strong support of All India Council for Technical Education, this programme is a step towards creating the awareness about research in Mechanical Engineering.

Topics

Literature review and formulation of research objective
General mathematical evaluation techniques
Recent software applications and their strengths
Design of experimentation/experimental analysis
Writing the research papers
Presentation of research work
Positive thinking, Time management and Stress analysis

Resource Persons

Prof. (Dr.) P. J. Kulkarni (Dy. Director Walchand COE, Sangli)
Prof. (Dr.) S. Y. Bhave (Professor, MIT, Pune)
Prof. Anand Prakesh (Doctoral Scholar, BITS Ranchi)
Dr. Prashant Gudur (PhD-IIT-Guwahati, Emerson, Pune)
Dr. Hitendra Patel (PhD-IIT-Bombay, Technologist L&T, Powai)
Prof. (Dr.) Sachin Naik (PhD-IIT-Bombay, Professor BATU, Lonere)
Mr E. V. Swaminathan (HR, Consultant & Trainer)

Participants and Registration

This programme is for faculty members of Mechanical Engineering from Institutions across Maharashtra. Priority will be given to the candidates who have already registered for research.

NO REGISTRATION FEE

Registration

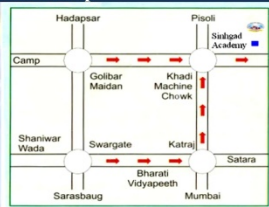

Only 50 seats are available on first -come- first- serve basis. The candidate can e-mail their details as per the prescribed registration format to the Convener on or before 25th March 2012.

However the selected candidates should confirm their registration by sending a DD of Rs 500/- (**Refundable at the end of program**) in favour of Convener-SAEMECH-SDP-2012

Accommodation

The accommodation will be arranged for all participants in the Institute campus and is subjected to their prior request (The charges will be paid by the programme organizer). The TA/DA shall be paid to participants at the end of programme.
