Two Days State Level Seminar on *"Advancements & Challenges in IT and Management"*

(18th & 19th February, 2012)

ABOUT STES :

Sinhgad Technical Education Society (STES) was established in 1993 under the dynamic leadership of Prof. M. N. Navale. At present Sinhgad Technical Education Society and its associates are running 85 institutions, providing quality education from school to post graduation programmes in all disciplines such as Engineering, Management, Education, Pharmacy, Law, Polytechnic, Hotel Management, Aviation, Health Sciences, Arts, Commerce & Science, Architecture & Interior Design and many more. All the institutes are housed in fully developed campuses. The locations of these campuses are in a pollution-free, lush green and picturesque environment conducive for learning. STES has made incredible progress in a very short span of time and today Sinhgad is a well known brand in the field of education not only in Maharashtra but in the entire country.

ABOUT COLLEGE :

Sinhgad College of Arts & Commerce established in the year 2003 situated at Narhe has a picturesque view that creates a beautiful environment which is conducive for learning. SCOAC has a dedicated team of highly motivated and experienced teaching faculty each of whom is outstanding in his/her field. Its multifarious activities focus on imparting relevant high quality value based professional and academic education and development programmes. For the convenience of the students, college has an excellent hostel facility with all the amenities separately for boys and girls and canteen facilities are also available. Suitable infrastructure for games is also available. It would not be an exaggeration to say that we provide students a home away from home.

ABOUT STATE LEVEL SEMINAR :

With the rapid development in technology, everyone aspires to be active & dynamic in nature, enthusiastic, energetic and with enough expertise in all respects to face the new challenges and advancements in technology & management to tackle any sort of situations. Hence the knowledge of the new technology and the guts to face the new challenges is becoming the need of the hour. The seminar will foster the new Technologies in IT and Management which people need to know irrespective of them coming from any walk of corporate or academic life, & education sector.

OBJECTIVES OF THE SEMINAR:

- To provide an opportunity for teachers, scholars, practitioners and students to share their knowledge regarding new advancements in IT and Management.
- Provide forum for discussion, collaboration and intellectual exchange.
- To get knowledge from the people who are from industry and to get aware about the technologies which they are using.
