### About Us:

STES was established in August 1993 under the dynamic leadership of Prof. M. N. Navale. It provides quality education at primary, secondary and tertiary levels in the field of Management, Engineering, Computer Application, Pharmacy, Architecture, Hospitality, Dentistry etc. All the institutes of STES are recognized by the concerned statutory authorities and meticulously fulfill their required norms and standards. Sinhgad Institute of Business Administration and Computer Application (SIBACA), Kusgaon (Bk), Lonavala is one of the 85 institutes under the umbrella of STE Society. SIBACA is one of the eleven group institutes in the lap of Sahyadri hills at Lonavala, the famous hill station of Maharashtra at the height of about six hundred twenty two meters above sea level. Its picturesque location and pleasant climate makes it a perfect learning center.

### About the Seminar :

Research changes the life of human beings and contributes to socio-economic development of the country. Research in social sciences demands updated knowledge of quantitative techniques. So it is important for students, teachers as well as researchers to remain updated about the knowledge in this area. With this objective Sinhgad Institute of Business Administration & Computer Application (SIBACA), Lonavala is organizing a National Seminar on 'Research Methodology and Quantitative Techniques'.

### Seminar Objectives :

- To enable the participants to define a research problem and develop a suitable methodology for addressing the problem.
- To sensitize the research scholars to approaches and methodologies in quantitative and qualitative research.
- To familiarize the participants with various data analysis methods in research with practical exercise in SPSS.
