

As the third issue of **Manthan**, SIBAR has decided a theme to be 'INDIA 20-20'.

Vision 20-20 is "Transforming the nation into a developed country, five areas in combination have been identified based on India's core competence, natural resources and talented manpower for integrated action to double the growth rate of GDP and realize the Vision of Developed India."

The reason of choosing this theme is the urgency to transform India after 2020. As we are a management school we are trying to play a part by highlighting the need for change in INDIA. As a management school we are in-charge of guiding budding minds and imbibing a sense of responsibility that shall be carried with us throughout our lives.

We are open for the articles in the form of write ups, poems, sketches & paintings, real cases and experiences, interviews of the personalities in relation with the theme and other innovative or creative material.
