About the Institute

Prof. M. N. Navale has established Sinhgad Technical Education Society (STES) in the year 1993 with the aim of imparting quality education in the field of Engineering, Management, Computer, Pharmacy, Medical Education, Physiotherapy, Nursing, Architecture, Hotel Management and basic school education. At present, Sinhgad Technical Education Society spreads over 13 Campuses, having 97 Institutes. Nearly 60,000 students are taking quality education under the guidance of well qualified academic staff.

STES's Sinhgad College of Engineering has become synonymous with quality engineering education. Sinhgad College of Engineering (SCOE) was established in the year 1996 offering degree courses in Computer, E & TC, IT, Mechanical, Chemical, Civil and Production Engineering. All the above courses are approved by All India Council of Technical Education (AICTE), accredited by National Board of Accreditation (NBA), New Delhi and affiliated to University of Pune. The Directorate of Technical Education (DTE), Maharashtra State, Mumbai has awarded "A" grade to the college. Recently SCOE is selected under Technical Education Quality Improvement Program (TEQUIP-II). Department of Biotechnology and MBA are recent additions to SCOE's ever increasing graph. SCOE has Research Center to pursue Ph.D. in various engineering disciplines.

About the Department

Electronics & Telecommunication (E & TC) department of SCOE has an undergraduate program and four post graduate programs i.e. Digital Systems, VLSI & Embedded Systems, Communication Network and Signal Processing. It is accredited by NBA for 5 years. Department also has Ph. D. research center. Liaison with prominent industries such as Actel Inc. (USA), KPIT, PSPL, Infosys etc., has enabled the department to keep pace with technology.
