Sinhgad Technical Society's **Sinhgad College of Engineering, Pune**, is a premier educational institute affiliated to University of Pune and approved by AICTE, New Delhi and accredited by National Board of Accreditation, New Delhi. The Directorate of Technical Education (DTE), Maharashtra State, Mumbai, awarded "A" Grade to the institute.

The College offers full time degree courses in Civil, Mechanical, Production, Computer Electronics and Telecommunications, Information Technology, Chemical Engineering and Bio-Technology. It also offers Fourteen PG courses in above disciplines. Also SCOE has Research Center to pursue Ph.D. in various engineering disciplines.

The institute has been selected for the participation in second phase of *Technical Education Quality Improvement Programme (TEQIP II)*.

The Civil Engineering Department was established in 2000. It is accredited by National Board of Accreditation, New Delhi for a period of five years. The department is recognized as Research Centre in Civil Engineering by University of Pune. The department also offers post graduate programmes in Structural Engineering, Hydraulics and Environmental Engineering.

ABOUT THE FDP

Water and wastewater treatment is the most challenging field for Environmental Engineers under current scenario. Uncontrolled discharge of domestic and industrial effluents across India has spoiled almost all the water bodies. There is no dearth of technologies available for treatment; however they lack in appropriateness, considering the Indian conditions. This FDP aims at

disseminating all such technologies ~~that~~ are most appropriate for Indian conditions.

Objectives:

1. To make the participants acquainted with Appropriate Sanitation Technologies for Indian conditions.
2. To spread the technical know-how of such Appropriate Technologies to the masses through various faculties and students who are the targeted participants.

REGISTRATION FEES:

For faculty from AICTE recognized Institutes: Rs 3000 (Rs. Three Thousand only) per head. For students: Rs. 1500 (Rs. One Thousand Five Hundred only)

Total no of participants is restricted to 40 (20 faculty and 20 students). The registration will be made on first-come-first- served basis.

Mode of payment: Through DD to be paid in the name of **"Principal, Sinhgad College of Engineering"** payable at Pune.

Lodging facility will be provided if intimated earlier.
