

SINHGAD COLLEGE OF PHARMACY

VADGAON (Bk.), Pune-411 041

28/11/2012

TRAINING AND PLACEMENT DRIVE 2012-13

The pharmaceutical companies coming for campus interviews expect that the student should be properly groomed /trained and accordingly a shortlisted student list is required to be put up and sent along with training and grooming details. Such data is also forwarded to various companies in the form of placement brochures.

We are initiating the process to work-out the areas of strengths and weaknesses so that further programs for strengthening their weaknesses can be organized.

Thus this program is aimed to identify the areas of interest/options available for career development. *It is to inform to all the students of Final Year B. Pharm. and M. Pharm. Semester III, that a half day pre-placement workshop is arranged as per following details.*

DAY AND DATE: SATURDAY, 1ST DECEMBER 2012

TIME: 1.00 P.M. ONWARDS

VENUE: SCOP SEMINAR HALL

TOPIC: TRAINING THE STUDENTS FOR CAREER DEVELOPMENT

There are no registration charges for the workshop, however those who appear for the aptitude test at the end of the workshop will have to bear the nominal charges for printing, stationary etc.
