About the Institute

Sinhgad Technical Education Society was established in the year 1993 under able guidance of Prof. M. N. Navale with the aim of imparting quality education in the field of Engineering, Management, Computer, Pharmacy, Medical Education, Physiotherapy, Nursing, Architecture, Hotel Management and Basic School Education. More than 100 model Institutions under the society impart education spanning from nursery levels to post graduation and Doctoral programs, covering multifarious disciplines.

Sinhgad Technical Education Society’s Sinhgad College of Engineering, Pune established in 1996, has become synonymous with Quality Engineering Education. It offers degree courses in Computer, E&TC, IT, Mechanical, Chemical, Civil, Production, Biotechnology & Management. The institute conducts 14 post graduate & 4 Ph.D. programs. The courses are approved by All India Council of Technical Education (AICTE), accredited by National Board of Accreditation (NBA), Govt. of India and is affiliated to the University of Pune. The Directorate of Technical Education (DTE)-Maharashtra State, Mumbai has awarded “A” grade to the college.

Recently Sinhgad College of Engineering was selected under Technical Education Quality Improvement Program (TEQIP-II).

Mission of the Institute

Holistic development of students and teachers is what we believe in and work for. We strive to achieve this by imbibing an unique value system, transparent work culture, excellent academic and physical environment conducive to learning, creativity and technology transfer. Our mandate is to generate, preserve and share knowledge for developing a vibrant society.

About E&TC Department

Department of Electronics & Telecommunication of Sinhgad College of Engineering, Pune is accredited twice for 3 and 5 years by NBA. The Department conducts UG as well as four PG programs in Digital Systems, VLSI and Embedded Systems, Communication Network and Signal Processing. Department also has Ph.D. program. Liaison with prominent industries such as ACTEL INC.(USA), KPIT, PSPL, TEXAS instruments, INFOSYS etc., enabled the department to keep space with technology.

Vision of the Department

Department of Electronics and Telecommunication Engineering shall continue to innovate and practice the process to propel development in engineering education, keeping excellence in focus and render services to match the needs of technical education system, industry and society.
