**Sub - Invitation for National Conference.**

Respected Madam/Sir,

Greetings from Sinhgad College of Nursing, Pune!  
Sinhgad College of Nursing has a great pleasure in announcing the organization of National Conference on **“Competency Based Nursing Education and Practice”** scheduled on **19<sup>th</sup> -20<sup>th</sup> December 2014.**

Enhancements in global health can only be realized through the development of a workforce that has been educated to promote health and to care ill. Now a day's increased attention is being placed on competency-based education as a means for optimizing the preparation of health professionals. Competent performance by health care professionals is expected throughout society. However, defining what it is and teaching students how to perform competently; it faces many challenges. This National conference provides a brief overview of the contemporary focus on competencies and its utilization in nursing education and practice. It may help the professionals to redesign nursing curriculum and to understand autonomy at clinical field.

We will be obliged if you kindly send your faculty, PG & UG students to the national conference. We have impressive list of speakers at the conference which will be much beneficial for them to make themselves acquainted with the latest knowledge in Nursing.

With warm Regards,

**Mr. Hanuman R. Bishnoi**  
Conference Coordinator  
Con: 09422347563

**Mrs. Jyoti V. Naikare**  
Principal,  
Sinhgad College of Nursing,  
Narhe, Pune-41
