

**FEB**  
10-12  
2014

*Three days National level Seminar*

## **“Redefining the Role of Bioequivalence Studies for Quality Standards of Generic Drugs”**

**National  
Level**

Registration Fee  
Rs. 150/-

Ceiling price of national list of essential medicines (NLEM) is fixed by government of India after implementation of New Pharma Policy 2013. In this scenario, there is a big challenge to maintain the quality standards these medicines. Bioequivalence studies play a vital role for the quality of generic products by evaluating the therapeutic compatibility of tested drugs. A national level seminar to be held on February 10-12, 2014 with following objectives:

- To explain design and conduct of bioequivalence studies
- To impart the knowledge for facilities, documentation and Importance of bioequivalence studies.
- To discuss advances in bioanalytical techniques using sophisticated instruments.
- To provide an opportunity to collaborate with renowned scientists by interactive sessions and thought-provoking panel discussions about various case studies.

### **POSTER PRESENTATION COMPETITION**

A poster presentation will be organized by providing a platform for promotion of research attitude in young researchers. Original scientific posters of unpublished work are invited for presentation in the area of Pharmaceutics, Bio-analysis, Drug discovery and related fields. Interested delegates send the abstract in MS Word (Arial font) along with title and authors via E. mail to [seminar10feb@gmail.com](mailto:seminar10feb@gmail.com) on or before February 7, 2014. The selected posters should be presented in size of 100 cm X 100 cm and a certificate of presentation will be provided. These posters will be evaluated by the eminent experts and accordingly CASH PRIZE will be awarded.
