▪ **About us:**

'Sinhgad Institutes' was established in the year 1993 by Prof. M.N. Navale with the aim of imparting high caliber technical education. Currently, there are more than 117 Institutions run by Sinhgad Institutes catering to various disciplines in the field of Management, Medical, Engineering and Computers to name a few. All these Institutions are shining examples of quality education, thus, reflecting our Founder President's great vision and his pursuit of excellence. Sinhgad Institute of Management (SIOM) has established itself as a premier Educational Institute in the country providing quality education in the field of Computers & Management. SIOM is affiliated to Savitribai Phule Pune University and is approved by AICTE and DTE. The MCA & MBA Programmes of the Institute are accredited by the **National Board of Accreditation**, New Delhi.

▪ **Theme:** The Seminar "Technical Advancement in Business Analytics and IoT (Internet of Things)" provides a platform for decision makers, researchers, administrators, care-providers and industry leaders and IT representatives to gain insights into the strategies and analytic tools and techniques for dealing with big data in various sectors. It also provides the opportunity for participants to network with experts and share experience to deal with the oncoming data analytic challenges posed by big data.

▪ **Seminar Objectives:**

- To give insights of the emerging trends in top technologies like BigData and Hadoop , Enterprise Business Intelligence and IoT.
- To introduce BigData as a part of academic curriculum, so as to shape the future of students.
- To engineer BigData curriculam which can fulfill the industry needs.
- To explore how advanced analytical tools are being utilized across industries for business process & BI.

▪ **Who can Participate?**

Academicians, IT Professionals, Research Scholars & Students

▪ **Registration Fee:** (by cash only)
