The transfer of copyright gives SCOE the right to develop, promote, distribute, sell, and archive a body of scientific works throughout the world. The Author hereby grants and assigns to SCOE all rights in and to Author's work in and contributions to the Work. In connection with this assignment, the Author acknowledges that SCOE will have the right to print, publish, create derivative works, and sell the Work throughout the world, all rights in and to all revisions or versions or subsequent editions of the Work in all languages and media throughout the world. The author(s), reserve the following rights:

- All proprietary rights other than copyrights, such as patent rights,
- The right to use all or part of this article, including tables and figures in future works of their own, provided that the proper acknowledgment is made to the Publisher as copyright holder, and
- The right to make copies of this article for his/her own use, but not for sale.

I warrant and represent that the work does not violate any proprietary or personal rights of others (including, without limitation, any copyrights or privacy rights); that the Work is factually accurate and contains no matter libellous or otherwise unlawful; that I have substantially participated in the creation of the Work and that it represents my original work sufficient for me to claim authorship. I further warrant and represent that I have no financial interest in the subject matter of the Work or any affiliation with an organization or entity with a financial interest in the subject matter of the Work, other than as previously disclosed to the Association.

I have the consent of each author to transfer and assign any and all right, title, and interest, including copyright of the article referenced above. I hereby assign and transfer to the SCOE copyright and all rights under it. I further confirm that this article has not been published elsewhere, nor is it under consideration by any other publisher.
