SINHGAD COLLEGE OF P H A R M A C Y

Invites you for

Savitribai Phule Pune University

Sponsored

Seminars

Chief Patron

Hon. Prof. M. N. Navale - Founder President, STES

Chief Convener

Dr. K. N. Gujar - Principal, SCOP

S. No. 44/1, Vadgaon (Bk.), Off Sinhgad Road,

Pune - 411 041

Phone / Fax - (020) 24354720/ 24355038

18,19 & 20 Jan 2015

Three days International Level Seminar on

01

**"Lifestyle Disorders :
Avenues for Prophylaxis and Treatment"**

Convener - Mrs. S. K. Patwardhan
sunetrapatwardhans@gmail.com
94 22 910940

21 & 22 Jan 2015

Two days national Level Seminar on

02

**"Current Strategies in Targeting Tyrosine
Kinase for Anticancer Research"**

Convener - Mr. P. B. Dudhe
dudhe.prashik@gmail.com
97 30 446797

28 Jan 2015

One days State Level Seminar

03

**"The Emerging Threats of Dengue
and Ebola Hemorrhagic Fever"**

Convener - Mr. Hemantkumar A. Ranpise
hemantranpise@gmail.com
96 89 897266

29 Jan 2015

One day State Level Seminar on

04

"New Insights into Current Pharmacovigilance"

Convener - Prof. Deepa N. Sanghai
dipans11@gmail.com
9960511822

Venue : Seminar Hall, Sinhgad College of Pharmacy, Vadgaon (Bk.), Pune - 411 041.

REGISTRATION FORM

Three days International Level Seminar on "Lifestyle Disorders : Avenues for Prophylaxis and Treatment"

Name: _____

Designation: _____

Name of the Institute/Organisation: _____

Correspondence Address: _____

Telephone: _____ Cell No. : _____

Fax: _____ Email: _____

Participation in Poster presentation on 18/1/2015 : Yes ☐ / No ☐

Accommodation Required : Yes ☐ / No ☐

Limited No. of seats. Registration of delegates on first come first served basis.
Candidate should send this filled registration form as E-mail attachment.

Organising Committee

i n v i t a t i o n

Sinhgad Technical Education Society is established in 1993 under the able & dynamic leadership of **Prof. M. N. Navale** with an objective of providing quality education. There are more than 117 institutes spread over 12 campuses at Vadgaon (Bk), Kondhava (Bk), Narhe, Karve road, Kondhapuri, Ambegaon, Warje, Mumbai, Lonavala, Sangola, Pandharpur & Jalapur. These institutes offer full fledged education & training facilities in the field of Pharmacy, Engineering, Dental, Medical, Management, Architecture, Computer sciences & Education. Further, STES also offers education from nursery to higher education.

Identifying the global need of well-trained pharmacy graduates the Sinhgad College of Pharmacy is established in the year 2000 at Vadgaon (Bk). The institute is affiliated to Savitribai Phule Pune University & is approved by AICTE, PCI & DTE. It offers B. Pharm course, M. Pharm and Ph.D. research centre.

Sinhgad College of Pharmacy

In the environment of rapidly changing technology, polarized with global competitive intelligence, Sinhgad College of Pharmacy (S.C.O.P) was established on 4th September 2000 under the aegis of STES, Pune, through the painstaking effort of Hon. Founder president Prof. M. N. Navale. SCOP has an exclusive building. The college also has a separate garden wherein a variety of medicinal plants and herbs are grown. The college has highly qualified faculty with rich academic, industrial and research experience and this forms the strong backbone for any professional institute.

It is ensured that there are sufficient opportunities for the students and staff members for interaction on a one to one basis. Personal attention is paid to progress, attendance and performance of each students. Efforts are taken to improve this through value added programmes like seminars and workshops on regular basis. The college also has regular interactions with various Pharmaceutical and technical-professional bodies like IPA, IDMA, IGPA, APTI, OPPI, ISTE etc. We have firmly established M.Pharm. In four branches viz. Pharm.Chem, Pharmaceuticals, Pharmacology and Quality Assurance Techniques, Besides this the college is also a recognized Ph.D. research centre by UOP. The college gives great emphasis on research activities which is reflected in form of quality research publications and presentations coming out regularly.

About the Seminar

Chemotherapy is the major treatment for metastatic cancers and is often faced with the problem of resistance development and side effects. Cancer is caused by an abnormal overgrowth of cells with more than 100 cancer subtypes depending on which cell grows. In many cancers, the cells clump together to form solid tumors, but in some, the cells are dispersed around the blood stream (leukemia) or the lymphatic system (lymphoma). A characteristic feature of cancer cells is their ability to proliferate.

Since the discovery of the first receptor tyrosine kinase (RTK) more than a quarter of a century ago, many members of this family of cell-surface receptors have emerged as key regulators of critical cellular processes, such as proliferation and differentiation, cell survival and metabolism, cell migration, and cell-cycle control. The overall topology of RTKs, their mechanism of activation, and key components of the intracellular signaling pathways that they trigger are highly conserved in evolution from the nematode *Caenorhabditis elegans* to humans, which is consistent with the key regulatory roles that they play. These connections have driven the development of a new generation of drugs that block or attenuate RTK activity.

The following topics are to be covered

The seminar aims to teach researchers of various branches about;

- ◆ The Current cancer research.
- ◆ Potential tyrosine kinase Receptor Sites and RTK inhibitors.
- ◆ Drug Design studies of Various New Anticancer Entities

Delegates

Faculty members from the institutions imparting Degree in Pharmacy

Speakers :

Dr. S.Padhye	University of Pune, Interdisciplinary Science and Technology Research Academy, Pune, Karmanos Cancer Institute, Wayne State University, Detroit, MI
Dr. Gude	ACTREC, Navi Mumbai
Dr. Sandesh Sancheti	R&D Manager, Sinil Pharmaceuticals, South Korea
Dr. Amit Nerkar	Associate Professor of Pharmaceutical Chemistry, Smt. Kashibai Navale College of Pharmacy, Kondhwa (Bk.), Pune
Dr. Asish Bhattacharya	Scientist and Adjunct Faculty, AcSIR Division of Organic Chemistry CSIR-National Chemical Laboratory, Pune
Dr. H. V. Thulasiram	Scientist and Adjunct Faculty, AcSIR Division of Organic Chemistry CSIR-National Chemical Laboratory, Pune
Dr. Pratap Acharya	Assistant Professor, Department of Pharmaceutical Chemistry, NMIMS SPP School of Pharmacy and Technology Management
