STUDENT SATISFACTION SURVEY

A student's satisfaction survey has been conducted and the data has been collected through Google form. Following is the analysis from the survey:

- Majority of students are satisfied and have rated that the services provided at Institutional level are excellent.
- Majority of students are satisfied with Medical facility, sports facility, and Safety & security at Campus Level.
- Few suggestions are given by students regarding choice of Mess and food quality.
- Students have suggested on improvement in quality of food in Mess.
- Students have also suggested that hostels may also be allotted without mess facility.
- More workshops and competitions may be conducted.
