About Institute : Sinhgad Technical Education Society

STES always endeavoured to meet the growing needs of higher technical & management educations by adopting new technologies, providing resources and by developing positive attitudes. The students of Sinhgad Institutes always cherish memories of their stay on campus throughout their life. Promotion of intrinsic motivation in management education ensures high standards in performance. We have a great team of practicing professionals, consultants and faculties to encourage students to demonstrate initiative and creativity throughout their study. This encouragement compounded with their individual efforts & diligence, develop in them the qualities best suited for corporate houses. STES motto-Discipline , Dedication, Determination and, Commitment are the four core pillars to focus. These govern on each of its action, deeds and practiced among students, employees and administrators of the institute.

About the College & Department :

Sinhgad College of Engineering is an Institution dedicated to the students' aspirations for excellence in technical education. We are happy to state that all our programs are accredited by NBA (excellent grade). While pursuing the academic excellence we take every care of all-round personality development leading towards excellent career by paying attention to all students at individual level. The discipline & conducive environment leading to a lively educational scenario are the special attractions of our institution. **The Department of Management Studies** was established in the year 2008. With the help of state of art infrastructure and highly qualified dedicated staff, the department has grown leaps and bounds. With the goal of giving efficient managers who also are noble & responsible citizens, the department concentrates on academic/extra curricular activities keenly meant for students. Guest lectures, industrial visits learning based on real life case studies help students in gaining theoretical as well as practical knowledge.

About The Theme : Strategic Management

Strategic Management is field that deals with the emergent initiatives taken by general managers on behalf of owner, involving utilization of resources to enhance the performance of firms in their external environments. A balanced score card is often used to evaluate the over all performance of the business from different view points like Finance, HR, Marketing and others leading to progress towards its objectives. Exploretour 2k12 is a national conference which seeks to bring such innovative strategic management ideas on one floor. It gives you an opportunity to share ideas from the various sections studied under the balance score card and broaden your vision on strategy and latest business environments.
