

About Us

Nivrutti Babaji Navale College of Commerce and Science was established in year 2006 under the Sinhgad Technical Education Society. It is a picturesque campus of Lonavala. It is the only institute in Pune Rural area with a futuristic educational campus hosting more than seven thousand students. The campus has an exotic landscape and provides a conducive environment for global education. It offers B.B.A., B.Com., BBA (CA), B.B.A.-I.B. and M.Com courses affiliated to **Savitribai Phule Pune University** and is approved by UGC.

The institute building has eco-friendly architecture and hosts all required facilities such as modern class rooms, well equipped computer lab, seminar hall and well connected resourceful library. The campus offers bouquet of amenities which includes hostel accommodation, mess and canteen facility, branded coffee shops and ice-cream parlors, attentive campus clinic, ATM facility, guest house, laundry services and reprography facilities, round the clock security with CCTV cameras, indoor sports facility, outdoor sports complex for a range of sports and a swimming pool.

Sinhgad Institutes has a pronounced mechanism and an ability to manage multiculturalism and diversity. The large diverse population of students drawn from all over the world are extremely comfortable at the various Institutes of Sinhgad and are well looked after in all aspects. Major festivals are commonly celebrated and special events are coordinated for talent expression. This diversity has brought in a host of benefits that are mutually shared.
