27 B. Ed.-Special Education

Special Education means the education of Blind, Hearing Impaired, Mentally Retarded, Handicapped, learning disability, mental disorder, etc. They require different type of special education. This education is imparted in special schools or in schools for normal children or in schools for such children under 'Samaveshit Shikshanantargat'. Education is given to the handicapped students as per their need in all schools.

As per the new approach, now such children are no more referred to as Handicapped children but they are referred to as "Children with Special Needs". These children cannot be educated without teachers trained for Special Education. The colleges which impart training in Special Education of such children are known as 'Colleges for Special Education'. These colleges prepare teachers to teach variety of disabled children of various types. These colleges follow the syllabus and intake and admission norms of 'Rehabilitation Council of India, (RCI)', New Delhi. No individual can work in this field without the recognition of RCI. This field is generating a lot of new job opportunities for the Trained Graduates as follows :

1. After completing this training course a teacher can work as a Resource Teacher in unit of Integrated School. In school unit one teacher is appointed against 5 'Special Need Children'.
 - 1.1 According to Maharashtra State Govt. UDISE Report of 2012-13, 34,435 children with special needs get admission in std. 9th to 12th classes. Above figures show that total 6,500 trained teachers are required to teach different kind of disabled students for secondary and higher secondary level. But only 300 teachers are appointed.
2. In the Integrated School, after completing this training under Sarva Shiksha Abhiyan can be appointed as 'Special Teacher/Mobile Teacher'. In Maharashtra Govt. and Non-Govt. Institute as per (UDISE report Maharashtra Govt. 2012-13) 70,776 special need children admitted in std. 6th to 8th in Sarva Shiksha Abhiyan 7,700 teachers are required but Maharashtra Govt. has appointed only 1,000 B.Ed. Special Education Degree holders per students rather 6,700 post of teacher are to be filled.
3. Under the scheme 'Rastriya Shiksha Mohim', Subject Expert, Special Teacher, Resource Teachers are appointed. Soon hence the need for such a trained teacher is more.

4. After taking this training Trained Teacher can work as a Special Teacher in the Special Schools. Common Entrance Test (CET) : Sample Question Paper with Answers for B. Ed. First Year Admission

1. Nature :-

The CET comprises of three sections viz. Mental Ability, Teacher Aptitude and General Knowledge. The weightage given to each of these is 30%, 40%, and 30% respectively. In each section, there will be Objective Type Multiple Choice Questions. You are required to answer in all 50 questions in total time of one hour (60 minutes).

- 1.1 **Mental Ability :- (Weightage 30%) :** The content of this test aims to judge your reasoning power. It also helps to know how fast and accurate you can think. This test will contain questions based on Series, Syllogism, Coding-Decoding, Relationship, Analogies, Classification, Problems on Dice, etc., either in Verbal or Non-Verbal form.
- 1.2 **Teacher Aptitude :- (Weightage 40%)** This test aims to know your capacity to become a teacher. It will contain questions related to your keenness to update your knowledge, leadership qualities, awareness about changes in education and society, communication and professional commitment, etc.
- 1.3 **General Knowledge :- (Weightage 30%)** This is a test to see how well you are acquainted with the happenings in the surrounding, at Local / National / International Level including Past Events, Current Affairs and Science, Technology, History, Geography, Civics, Political Science, Literature and Education in general.

2. Important Instructions :-

- 2.1 As all questions are compulsory, do not waste time in reading all the questions first and then selecting some out of them to answer. There is no option and all questions carry equal marks.
- 2.2 Read the questions one by one and start recording your answer on the separate sheet provided.
- 2.3 Select the most appropriate answer from the choices given. Then by **using Black Pen, fill the box completely bearing the correct answer number in the answer sheet.** For example, these are four choices in the boxes.

1	2	3	4
---	---	---	---

Suppose the correct answer to a question is '3' then blacken the box bearing '3' as follows -

1	2		4
---	---	--	---

Do not mark your answer in any other way.

- 2.4 In case you are required to change your answer cancel the earlier one by putting a cross on it and then mark the other box as explained in 2.3 above.
- 2.5 Make sure that you are marking your answer against the same serial number which you are attempting.

- 2.6 If you are not able to get answer to a question, leave it and proceed further. Do not waste your valuable time on it, you may attempt that question later.
- 2.7 Avoid marking answers randomly or based on wild guess.

3. Sample Questions :-
