STEPS: A Pioneer in Education

Slogan: "We realize that education is fundamental for the complete development of individuals. As a premier teaching institute, we endeavor to harness this inherent potential through meeting the growing needs of higher technical education."

STES (Sinhagad Technical Education Society) was established by Prof. M. M. Navele in the year 1963, in the city of Pune. STES has now grown into an educational spearhead in Pune by managing 74 units. These institutes provide full time courses in the fields of

- Management
- Architecture
- Science
- Medical
- Dental
- Physiotherapy

SIBAR - Master of Computer Applications

Sinhagad Institute of Business Administration and Research constitutes one of the jewels in the crown of Sinhagad Technical Education Society. The MCA department at SIBAR has been known for its rich resources in imparting education and values towards all around growth of an individual.

Annual IT Event MINTVAH

MINTVAH our annual IT festival inceptioned in the year 2005, by the MCA Department of SIBAR, to bring the student community on a platform, where they can interact with the industry experts and researchers. This year the theme of the event is "Imbibing Ingenuity with Acquity".
