Background and objective of seminar:

Interchangeable biologics or biosimilars also known as follow-on biologics are biologic medical products whose active drug substance are made by a living organism or derived from a living organism by means of recombinant DNA or controlled gene expression methods. Unlike traditional “small molecule” drugs, biologics are not chemically synthesized but rather are manufactured from living cells by programming a particular cell line to produce a desired therapeutic substance in a highly controlled sterile environment.

The prime objectives of this state level seminar are to understand the basics, importance and applications of interchangeable biologics along with opportunities and challenges in this area by the UG/PG/Ph.D. students and faculty members.

Regi. Fee: Rs. 150/-

ABOUT SIPS

Sinhgad Institute of Pharmaceutical Sciences (SIPS) Kusgaon (Bk), Lonavala, Dist. Pune, was established in 2004. The Institute is situated at Lonavala and gives an excellent panoramic view of Lonavala Valley, its lush green landscape and natural bounty. The institute is approved by AICTE, PCI and affiliated to University of Pune. It offers B.Pharm, M.Pharm and Ph.D courses. The B. Pharmacy course has been accredited by NBA, New Delhi.

At SIPS we strongly believe that there is no substitute for academic excellence and same can only be obtained by requisite inputs by the management and faculty in terms of facilities, infrastructure, quality systems and hardwork. A team of adroit teaching staff is helping the students to achieve an extra edge in the competitive world of Pharmacy. Personal attention is paid to progress, attendance and performance of each student. Efforts are taken to improve this through value added programs, seminars and workshops on regular basis. We have firmly established M.Pharm in three branches viz. Pharmacology, Pharmaceutical Chemistry & Pharmaceutics. The college gives great emphasis on research activities which are reflected in form of quality research publications and presentations coming out regularly.
