Sinhgad Technical Education Society:
Sinhgad Technical Education Society (STES) was established in the year 1993 by Prof. M. N. Navale with the objective of evolving quality education in the field of Engineering, Education, Management, Computer, Architecture, Health, Science, Pharmacy and basic school education from kindergarten onwards.

There are 76 institutes under the aegis of STES offering full-fledged school education, diploma, graduation & post-graduation courses in various disciplines. Presently STES is having six educational campuses at Vadgaon(Bk), Narhe-Ambeagon (Bk), Khedwadi, Erandwane in Pune, at Kusgaon (Bk.), in Lonavala, and at Kondhawapur near Shirur two more campuses are coming up. These education centers are ideally located, pollution free, lush green and picturesque environment, conducive for learning.

The Institutes under the STES are recognized by the concerned statutory bodies & meticulously fulfill the norms and standards laid down by them.

STES maintains a close liaison with the industrial and other leading organizations and to serve the interest of the student community as well as the corporate and industrial sectors.

The society has established a centralized placement cell in Pune campus and regional placement cell in each of the institutes/colleges.

Sinhgad College of Pharmacy:
In the environment of rapidly changing technology, polarized with global competitive intelligence, Sinhgad College of Pharmacy (S.C.O.P.) was established on 4th September 2000 under the aegis of STES, Pune, through the painstaking effort of Hon. Founder president Prof. M. N. Navale. SCOP has an exclusive building. The college also has a separate garden wherein a variety of medicinal plants and herbs are grown. The college has highly qualified faculty with rich academic, industrial and research experience and this forms the strong backbone for any professional institute.

Emphasis will also be laid on discussing the ideal format of the manuscript, as well as, proper method of literature survey and representation of literature references.

Main objectives of the seminar:
- To provide fundamental knowledge about the importance and need of scientific research publication, its advantages to individual as well as Institution.
- Selection of Journal based on impact factors & appropriateness of quality of work done.
- How to prepare a manuscript in a systemic and concise manner.
- Presentation of data, prior art of work, results and discussion.
- Importance of systemic literature review and its presentation.
- Defining the objectives of the work to be published.
- Submission of results and conclusion with supportive data.
- Bibliography: The right way of presentation of literature references.

It is ensured that there are sufficient opportunities for the students and staff members for interaction on a one to one basis. Personal attention is paid to progress, attendance and performance of each students. Efforts are taken to improve this through value added programmes like seminars and workshops on regular basis. The college also has regular interactions with various Pharmaceutical and technical-professional bodies like IPA, IDMA, IGPA, API, OPPI, ISTE etc. We have firmly established M.Pharm. in four branches viz. Pharm.Chem., Pharmaceutics, Pharmacology and Quality Assurance Techniques. Besides this the college is also a recognized PhD research centre by UOP. The college gives great emphasis on research activities which is reflected in form of quality research publications and presentations coming out regularly.

About the Seminar:
A research publication adds to the educational qualifications and appraisal of an individual. It is rightly said that writing a research paper for publication is rather difficult than writing a chapter for a book or thesis. This is simply because one has a limited space at his/her disposal to present good scientific work in a concise manner. Thus, use of proper words is to be made judiciously and skillfully without wasting them. It is rather building a skeleton of the research work done around a well defined objective and presenting the results, discussing them systematically and leading to a concrete conclusion in an efficient manner so as to highlight the importance of the work done. Therefore writing a research paper though an onerous task is definitely a skillful art and can be very satisfying and fulfilling to the writer. This seminar will provide a realistic understanding on the need of scientific paper publication, its advantages, impact factor based journal selection, systematic approach to manuscript preparation adhering to standard guidelines, obtaining consent for submission, process of submission (Electronic- Online) or by postal (Hardcopy). The importance of error free, precise language usage to express the aim of work, results discussion and conclusions, shall also be highlighted.

Delegates:
Faculty members from the institutions imparting Degree in Pharmacy

Registration Fees:
- Rs. 300/-
- Registration Fees for P.G. Students: Rs. 150/-

Limited No. of Seats- Please confirm your participation at earliest

Organizing Committee:
- Prof. R. R. Kulkarni
- Mrs. R.S. Sahane
- Miss V. M. Shende
- Mr. S. K. Mandlik

Local Bus Route:
Bus No. 54: Pune corporation to Venutai College
Bus No. 49: Kothrud bus depot to Venutai College
